Hi Kenneth,

The committee has a follow up question regarding a policy change mentioned in your negotiation response.

We'd like to know if they would be willing to add a note to Mason requested evaluations of 3-year Australian bachelor's degrees, stating that while EP considers the 3-year degree equivalent to a U.S. bachelor's degree some admissions offices may not. This request would be for Mason exclusive reports only.

Please let me know at your earliest convenience.

Thank you,
