Hello James,

Just got approval from the CFO and General Counsel's office to move forward. You may proceed with the annual renewal.

Sorry it took this long.

Hello:

Thanks for getting back to me. Mike has been the only point of contact I've ever had. If that needs to change that's fine.

Attached is the contract and the last renewal.

Thanks.

Jim.

Good morning Mr. Russell,

I see that you send an email to Mr Mike Sims regarding the renewal of contract 1778-22. I am happy to get this process completed but I have two quick requests. First, please be aware that Mike Sims has retired and no longer an employee of BARBRI. (This isn't to imply that we don't still respect him and he is very much still part of the family, but for these purposes he's not your best contact.)

Secondly, because our contract system has its own numbering protocol, it isn't clear which contract 1778-22. Can you please provide the subject mater of that contact.

Many thanks,

Mike Power
