Hi James,

Thanks so much for reaching out!

I am not sure if the SIG contracts team will require any additional information. I'm adding @David Miley, SIG's Account Executive, who supports our work with George Mason and can assist with the contractual components of your email request.

In the interim, if I can be of further assistance please let me know.

Thanks!

All the best,

Hi:

As you are probably aware we have a "master" contract (GMU-1690-21) that has been in place since 2020. This contract was for one year and four additional one year options. We last renewed the contract to cover 2022 – 2023. For some reason, administrative oversight on our part I'm sure, we didn't renew the contract for 2023 – 2024. However we would like to renew the contract for the fifth and final year to run through Nov 11, 2025 at the original terms, conditions and pricing.

If you are in agreement please respond in the affirmative. No further paperwork will be required.

Thank you.
