Hi:

The specific items listed in the RFP should stay the same. But those examples were for bidding purposes. This renewal is really a formality for us (and others) to be able to utilize the contract.

Jim.

Hi James - We're reviewing it, but I had a question. Are you wanting us to lock in this same pricing for the year, or is the contract more of a formality to be able to work together for the year?

Thanks!

Any word on this?

Thanks.

Hi James - Thanks for reaching out! We had a few people who used to work on the GMU account leave More Vang. Would you be able to clarify what this contract is for?

Thanks!
