¹ In New York City, Cape Cod, Martha's Vineyard, Nantucket, WA, AK, HI, Latin America, and the Caribbean, a multiplier of 1.35 will be applied to the regular hourly rate. Note: The NYC rate applies to a seventy five mile radius from the borough of Manhattan and all of Long Island.

² In the states of CA and OR, a multiplier of 1.25 will be applied to the regular hourly rate.

³ Work performed in the Washington D.C. Metropolitan area is entitled to an additional 5% markup that will be applied to the total of all scheduled labor, scheduled equipment, scheduled consumables and 5% will be added to the markup for all vendors, unscheduled equipment, unscheduled material invoices.

§ I.II LABOR CALCULATION POLICY

The guidelines for labor invoicing are as follows: The first eight hours worked on any scheduled shift Monday through Friday will be charged at the regular hourly rate. Any hours worked in excess of eight hours on any scheduled shift Monday through Friday will be charged at 1.5 times the regular hourly rate. All hours worked on Saturday and Sunday will be at 1.5 times the regular hourly rate. All hours worked on Holidays (see §I.III Item 4 for recognized holidays) will be charged at 2 times the regular hourly rate. OT applies to all labor classifications regardless if salary or hourly.

After Hours Emergency Services: In the event that BELFOR personnel are required for emergency services after normal BELFOR business hours (Weekdays 5:00 p.m.-7:00 a.m.), 1.5 times the regular hourly rate will be charged.

§ I.

RATES AND INVOICE CONDITIONS

§ I.III.

LABOR CONSIDERATIONS

- 1). Work performed under a particular contract that is subject to Federal and State wage and hour laws, prevailing wages, and/or collective bargaining agreements may require negotiated changes to the above stated rates. If necessary, adjustments will be made to the hourly rates and other labor provisions.
- 2). When circumstances beyond our control require BELFOR personnel to stand-by at the job site, a minimum stand-by charge of 6 hours at the regular hourly rate (no overtime) will be charged.
- 3). National holidays recognized by BELFOR for rate (not payroll) purposes are New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas.
- 4). The hourly Scheduled Labor rates will be charged portal to portal for all BELFOR personnel, labor subcontractors, and subcontractors fulfilling any Labor Classifications.
- 5). If a meeting is requested by the client that involves travel, BELFOR will bill for travel expenses at documented cost plus 25%. Labor hours will be charged at the applicable Rate Classification

§ I.IV.

CONSULTING EXPENSES

- 1). Reproduction of actual drawings are billed at \$4.50 per SF
- 2). Automobile mileage is billed at the IRS 2025 published rate of \$0.70/mile
- 3). Tolls are billed at cost with receipts over \$25.00
- 4). Photocopies are billed at \$0.15 per page
- 5). Color copying is billed at \$1.50 per page or actual cost if Kinko's or other service
- 6). Airfare, hotels, rental car rates and other travel expenses are billed at cost + 25%
- 7). Daily per diem rate is billed at \$75.00 a day/based on (8) hour day

Note: *Fees for deposition and trial appearances are for a minimum four hours @ \$450/hr for all consultants

§ II.

SCHEDULED EQUIPMENT CHARGES (see § II.I Itemized Scheduled Equipment)

- 1). The Daily Rental Rate is charged for each calendar day equipment is utilized on a project, whether a partial day or complete day.
- 2). Small Tools Charge: Items such as shovels, ladders, demolition carts, extension cords, small hand tools, etc..., which are provided by BELFOR but are not included in the Scheduled Equipment list will be charged at 4% of total labor charges for all hands-on personnel (EO, GL, LF, RT, RS, DTA, DC, DTL, DMT, DT, MT, PT, DP, CR, TN, TS, HT, HLT, HEO). Any specialty items purchased for a project may be charged as per Section IV.
- 3). The Safety Equipment Packages (Personal Protection Equipment - PPE, Personal Fall Protection - PFP, and Personal Respiratory Protection - PRP) are inclusive of the reusable components of each package as well as any training, medical, or certification expenses related to their use. They do not include the disposable items within the Scheduled Consumables list.
- 4). During the course of performance of the work BELFOR may add additional equipment to the schedule.

§ III.

SCHEDULED CONSUMABLES (see § III.I Itemized Scheduled Consumables)

- 1). Any scheduled consumables purchased locally where the unit price exceeds 80% of the rate, the item will be invoiced at documented cost plus 25% mark-up
- 2). During the course of performance of the work BELFOR may add additional consumables to the Rate Schedule.
- 3). BELFOR reserves the right to change the unit rate of scheduled consumables affected by market conditions.
- 4). Scheduled consumables are charged on a "per unit" basis whether consumed by the unit or not.

§ IV.

VENDORS, UNSCHEDULED MATERIALS & UNSCHEDULED EQUIPMENT

- 1). 25% mark-up will be added to the total of all documented costs for Unscheduled Materials, Unscheduled Equipment, and Subcontractors / Vendors (including DUCTZ HVAC and BELFOR Environmental Services) who are not fulfilling a scheduled Labor Classification.

§ V.

REIMBURSABLES

- 1). 25% mark-up will be added to the total cost of all reimbursables.
- 2). Standard per diem rates are \$68 per person per day (2025 GSA base rate). The 1.35 multiplier will be applied for NYC, Cape Cod, Martha's Vineyard, Nantucket, WA, AK, HI, Latin America, and the Caribbean (\$91.80). The 1.25 multiplier will be applied for CA and OR (\$85.00). Per Diem will be charged for all traveling personnel in **§ I. Itemized Scheduled Labor Classification**. BELFOR charges this daily rate whether the per diem is paid directly to the person, is charged to BELFOR as a separate charge, or is included with other compensation considerations. For multiple jobs on a single day, per diem will be prorated accordingly.
- 3). Per Diem reimbursement is subject to certain limitations regarding deductibility governed by the Internal Revenue Service, Code of 1986, Section 274(n)(1). Please consult your tax advisor on the appropriate treatment of these costs on your project as it is our policy that any deductibility limitation for income tax purposes is the responsibility of the customer.
- 4). BELFOR shall be reimbursed for travel expenses (airfare, lodging, rental cars, per diem) for personnel at documented costs plus markup (see item 1).
- 5). Lodging will be charged in accordance with the published GSA lodging allowance in effect at the time of the stay (<https://www.gsa.gov/travel/plan-book/per-diem-rates/>) plus applicable fees and taxes. As is the case with the Federal Travel Regulations, actual expense reimbursement is allowed when the lodging allowance is insufficient to meet the necessary expenses.
- 6). An optional methodology for lodging charges is to apply a lodging allowance as follows: Lodging may be charged at the average nightly rate of up to three hotels that house project personnel (BELFOR and/or subcontractors). The full average nightly rate will be charged for single occupancy and 50% of the average nightly rate per person will be charged for double occupancy.

§ VI.

DOCUMENT DRYING AND RECOVERY SERVICES

Freeze drying charges will range from \$55 to \$95 per cubic foot based on the volume of documents to be dried, the type of document (bound or loose paper), and the moisture saturation.

The above rates represent the charges for freeze drying only. Labor, equipment, materials and other document treatments performed will be billed in accordance with the rates herein and any project specific quotations.

Other recovery service charges will be determined per job, based on the following relevant factors:

* Nature of Damage * Degree of soot/char * Intended Use of Document * Moisture Saturation * Mold Contamination * Odor

Because the type and level of contamination may vary so greatly and thus affect the resultant recovery protocol required, these additional services will be quoted after examining a sample of the affected documents.

§ VII.

CAT CONSIDERATIONS (Based on Property Claim Services assigning a CAT Serial Number)

- 1). For all CAT related work a 6% fee will be added to the total of each invoice. This fee will cover all of the indirect charges that must be allocated to each job in the CAT. Examples of these charges would be CAT management, CAT office, admin support, warehousing, etc...

§ VIII.

BILLING AND PAYMENT

- 1). Invoices generated in accordance with the BELFOR Rate and Materials Schedule will be submitted periodically for work that has been performed. As such, all invoices are due and payable upon receipt and will be considered late 30 days after receipt of the invoice. If there are any disputed charges on any invoice the disputed charges must be clearly identified in writing within 30 days of receipt of the invoice. If client fails to timely dispute any charges, the entire invoice must be paid in full. An additional 30 days will be allowed to resolve disputed charges. Interest charges will begin to accrue after 30 days for undisputed charges and after 60 days for the disputed charges at the rate of: 1) 1% per month or 2) as specified in the terms and conditions of the applicable contract.
- 2). All charges for billing portals and for credit card payments will be passed on to the client at documented cost.

The rates contained in this exhibit are exclusive of federal, state and local sales or use taxes and the costs associated with any applicable federal, state or local approvals, consents, permits, licenses and orders incident to performance of the work.
