Exhibit B
INTERFOLIO PROFESSIONAL SERVICES - STATEMENT OF WORK
George Mason University

This Statement of Work (“SOW”) is a preliminary expectation of both Interfolio and George Mason University (“Customer”) of the services that shall be performed. This SOW is an exhibit to the Order Form between Interfolio and Customer which is hereby referenced and incorporated into this SOW and will control the delivery of services. It may be modified in writing if approved by the designated representatives of each Interfolio and Customer. Any services beyond the scope outlined herein, shall be the subject of an additional SOW.

Objective

We are proud to propose to George Mason University an Interfolio Professional Services effort to support the continued use of our Faculty Information System.

Professional Services Overview

Additional Services	Deliverables
<p>Customer Advisory Service</p>	<p>Advisory & Guidance (Assigned Customer Success Manager) - Interfolio will assign a dedicated Customer Success Manager (CSM) to conduct regular advisory meetings to discuss, use case expansion, workflow optimization, and provide product roadmap consultation. The CSM will also support product utilization and help to drive faculty buy-in by sharing change management tactics and best practices to ensure faculty members make the most of the platform.</p> <p>Technical Support - Interfolio will provide routine and ad-hoc data loading and troubleshooting to support all Customer data as determined in this statement of work (details included below). Interfolio will also assist with routine system modifications and provide technical support for data and API-related questions. Requests to load data not outlined in this document, requests to migrate data between sections or databases, requests to combine sections, and substantive system modifications such as moving/merging/deleting more than 10 units in the organizational structure, and requests for data cleanup due to user error will necessitate a change request and new statement of work.</p> <p>Executive Business reviews (EBR) - Interfolio will host periodic meetings where university administrators discuss Interfolio University's current best practices and plan for the future. During these meetings the Customer and Interfolio will review usage statistics, analyze any trends, risks, and overall adoption, as well as provide an overview of the latest changes in the product(s) that your institution has purchased.</p> <p>Access to Interfolio University for Core Team - Interfolio will provide continued access for all university faculty and staff to Interfolio University and full course catalog for the Customer’s core team.</p> <p>Standard End User Training (up to 2 per year) - Interfolio will provide 2 standard end user trainings per year. Sessions will cover core functionality and live Q&A to support faculty usage cycles and FAQs and/or new hire onboarding for new system admins.</p> <p>Access to Customer Success Best Practices webinars and weekly Office Hours</p>
