#### CONTRACT MODIFICATION

Contract Date: November 24, 2020  
Reference: GMU Contract #GMU-1675-21.  
Commodity: Turf Management  
Project Location: George Mason University

The following changes are hereby incorporated into the aforementioned contract:

**The Contract Scope of Work for Contract GMU-1675-21 is amended as follows:**

1. The contract scope shall be amended to include the following:

**Synthetic Turf Seam Repair and Minor Turf Replacement/Repair Service:** this service is used to repair loose seams and to replace missing turf and infill on synthetic turf fields. Synthetic turf repairs and replacements are commonly made on fields as a semi-permanent solution to secure seams, inlays, logos, on-field covers, and edges, to replace sections of damaged or worn turf, and to replenish infill in high-traffic areas. The base price includes labor and the adhesive materials and equipment used to make the repairs. Other pricing is offered to cover other materials that may be needed if not provided by the customer.

Base Price: \$360/service up to 2 hours  
Extended Price: \$180/hour for time in excess of 2 hours  
Synthetic Turf: \$23.75/Square Foot  
Rubber Infill: \$57.13/50-pound Bag

Some seam repairs and infill replace is included in the REC contract with Game Day but as the synthetic turf fields at GMU age and continue experience wear and tear, or if either one of the fields is damaged, the service described above for additional repair services will take place.

**This contract modification shall be effective January 22, 2021**

**Note: The terms and conditions of contract GMU-1675-21 shall govern any resulting purchase orders and supersede any other terms and conditions.**

All other terms, conditions and specifications remain unchanged. Please acknowledge and sign below.

Sincerely,

*Chi Nguyen*

Chi Nguyen  
Senior Buyer  
George Mason University – Purchasing Department

I hereby acknowledge receipt of this Contract Modification for GMU-1675-21 for Turf Management
